**Who Are We**

Schuco are a trusted and passionate family business who have been operating and innovating for over 65 years since our inception in 1957. Since then, we have provided a reliable service that delivers innovative products that our customers know and love. With backgrounds in medicine, technology and biology, our team are experts in all things skin.

**Why Trust Us**

At Schuco, we know the importance of identifying, diagnosing, and treating skin conditions for healthcare professionals and patients. Our products are designed to make this process easier for all those involved. We work across dermoscopy, total body skin imaging, electrosurgery, sutures, aesthetics, plastic surgery and more. If it concerns the largest organ in the body, you need Schuco, experts in all things skin.
