

How to download your BSDS Virtual Module certificates

Once you have successfully completed all parts of a BSDS Virtual module, you will have the option to either download or print your certificate. Please note, a separate certificate is available per module.

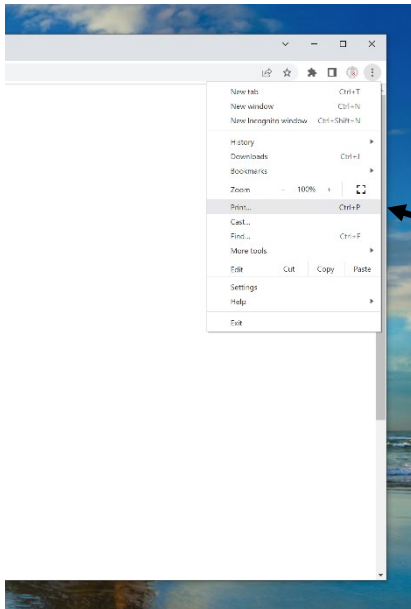

Instructions:

Example of Module screen:

Current modules

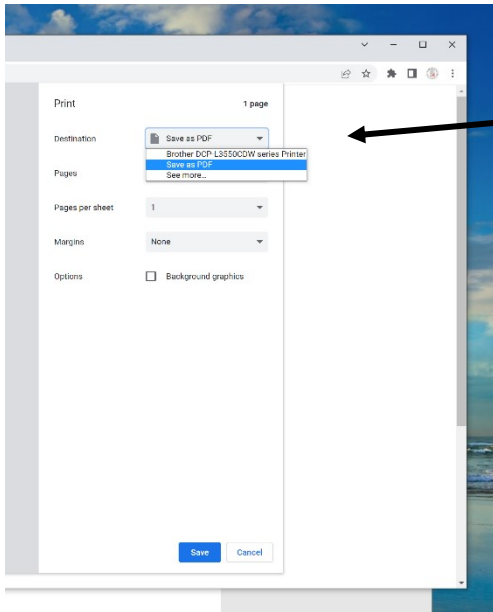

Once the module has been completed, you will see a certificate icon. Please click on this.

When the certificate is shown on your screen, locate your "Print" function. Holding down keyboard keys Ctrl and P will also bring this up.

How to download your BSDS Virtual Module certificates

In 'destination' you can change it from **print** to **save as PDF** or **print to PDF** depending on the computer and operating system you use as these will vary. Click 'Save'
